The "Centre de ressources de Canmore" is a French resource centre that provides community members with French learning material. Members of all ages have access to a wide range of books, videos, DVDs, CDs, magazines, board games, read-along books, etc. Resources are constantly renewed due to a partnership with "L'Institut Guy-Lacombe de la famille". Anyone living in the Bow Valley can have access to the centre. Feel free to contact us for our locations and hours of operations.

"Chansons, contes et comptines" is a program where parents and children participate together. It provides parents of children age 2 to 4 years old with valuable tools to help them better assist their children's language development through sound recognition, the love of reading and developing their imagination. "Chansons, contes et comptines" is provided by la "SPEF de Canmore" in Partnership with "EDUK", the provincial organization responsible for early literacy programs for Francophone in Alberta.

"Contes sur roués" is an early literacy program for children 6 months to 4 years old. This program is designed to reach children that are in homecare, daycare or in group situations. "Contes sur roue" will develop the care giver's and the parent's abilities to utilize books and reading material. Children will discover the love of reading and all the wonderful treasures hiding in books. Activities and songs are part of this weekly activity. For more information or to register, please contact us. Two sessions will be held yearly in Banff or Canmore depending on the interest.
