Addendum No.2 – Q & A

Q1: What is the alcove-style tub and plumbing fixtures specification?

A1: Altrek AF - Monaco 30 or similar. Symmons Elm 5502 or similar, polished chrome finish.

Q2: What is the wall tile specification?

A2: 3"x6" ceramic subway wall tile, white in colour.

Q3: Is the existing bathroom floor tile getting replaced with LVP?

A3: This is not included in the scope for this RFP. However, the contractor is welcome to submit a price as a separate line item and this will be reviewed after this RFP is awarded, on a per square foot basis.

Q4: Will there be a dedicated container for site storage?

A4: CCH will work with the contractor on providing an area on or near site. Any containers, bins, etc are to be provided by the contractor. CCH will coordinate location(s) on site.
